Re: 2001 Hazardous Waste Report
ICI Dulux - Store #157
14583 Manchester Rd.
Manchester, MO 63011

The above referenced facility is registered as a large quantity generator. However, no waste was generated in 2001. The facility had a one time large disposal in January of 2002, due to consolidation of obsolete product. The facility is a paint retail store and in general, generates only minimal quantities of waste. Therefore, I am submitting the RCRA Subtitle C Site Identification Form to provide subsequent notification of generator status as a conditionally exempt small quantity generator.

If you should have further questions, or require additional information, please do not hesitate to contact me at 216-344-8431. Thank you.

Sincerely,

Rhonda Cross
